

Electronic Billing... with Enrollment in Jopari eBill®

The Jopari eBill service gives healthcare Providers the ability, using their existing billing systems, billing vendors, and clearinghouses, to submit compliant electronic bills and attachments to thousands of Workers' Compensation, Auto Medical, and other Property & Casualty Payers.

Providers and submitters may access the Jopari website at www.jopari.com/ebill-enroll to learn more about the eBill services offered by Jopari.

If interested, simply fill out the online Jopari eBill Enroll Form, and an electronic-billing professional will contact you. Or you may contact a Jopari Customer Care Specialist at 800-630-3060 Monday through Friday, from 8:00 am to 8:00 pm EST.

You will be asked to provide the following information:

- Company or practice name
- Description of organization
- Contact name and title
- Email address and phone number
- Best time to reach contact
- Practice management system, if applicable
- Clearinghouse information, if applicable
- If your billing system can produce an 837 file
- Approximate monthly claim volume
- What type of claims are you looking to process

Jopari Implementation Options:

Billing Submission Options

- Direct data entry into Jopari Provider Portal
- Upload directly to Jopari Portal
- EDI Interface from Practice Management System or Clearinghouse

Attachment Submission Options

- Fax
- Portal upload of electronic documents
- EDI interface from Practice Management or Document Management System
